FLESH-EATING CHEERLEADERS: 1969 UNCENSORED COVER B

(W) James Mascia (A) Erik Tomayo (CA) Marmewa Back in 1969, as the summer of love was just beginning, the Earth was invaded by aliens. It wasn't televised. The aliens infiltrated our planet completely undetected. They did so by infecting a naive young cheerleader, and a wandering hippie. The aliens turn these two young women into murderous cannibals, hell-bent to satisfy their own needs, no matter what the expense might be. Join us for this original tale that tells the story of the as yet unknown pair of alien worms that have been living among us undetected for decades. 36pgs, FC. (STL293098) **NOTE:** Not available in Canada, Hong Kong, and Indonesia.

UNDER A BLOOD RED MOON #5

(W) James Mascia (A) Miky Ruiz (CA) C. B. Zane The Earth has been invaded by a race of aliens who are only interested in finding new slaves for their empire. This creates a problem for some of the other species living here—vampires and werewolves. The more humans they take off-planet, the less food they have. Humanity's fate is locked in between these two warring factions whose only desire is to retrieve their food source... so one way or the other, the human race is screwed. Vampires vs. Werewolves vs. Aliens—who will claim the human race as their own? Whoever wins... we lose. 24pgs, FC. (STL293097) (C: 1-0-0) **NOTE:** Not available in Canada, Hong Kong, and Indonesia.

**ARAKI: BONDAGE HC**

(W/A/CA) Nobuyoshi Araki

Walk the fine line between art and pornography in this celebration of Kinbaku-bi, the Japanese art of erotic bondage and one of Nobuyoshi Araki's most important subjects. This edition gathers Araki's all-time favorite bondage photos—a tantalizing testament to his ability to balance sexual vulnerability and seduction. He's been called a genius and a poet, but also a misogynist, a pornographer, a monster—but Nobuyoshi Araki's work transcends simple moralistic classifications. He has said of his work: "There is no conclusion. It's completely open. It doesn't go anywhere." One of the greatest Japanese photographers of our time, Araki's oeuvre is marked by an unmistakable mastery of composition, color, and tone. Meaning "the beauty of tight binding," Kinbaku-bi, the traditional Japanese art of erotic bondage has long fascinated the photographer, becoming one of his most important subjects. Araki plays with patterns of subjugation and emancipation, death and desire and with the slippage between serene image and shock. Whether literally or figuratively, his models are certainly immobilized, but in the most tantalizing ways—girls lay bound but defiant, suspended from the ceiling, in traditional dress or nude, face-on, sometimes with a flower subtly positioned between their legs. Araki picks his all-time favorite images of bondage. The result is a testament to his ability to tantalizing balance sexual vulnerability and seduction like no other. HC, 288pgs, FC.
